This matter comes before the Court upon Plaintiffs' Motion to Compel Defendants DeLara and Rivera [hereinafter "Defendants"] to Respond to Plaintiffs' First Sets of Discovery Requests [docket no. 45]. The motion was filed March 20, 2000. In it, Plaintiffs seek to compel the production of Defendants' personnel files and training records. Request for production no. 2 to Defendants and footnote at page 3 of Memorandum in Support of Plaintiffs' Motion. The portion of Plaintiffs' motion dealing with requests for production no. 4 has been withdrawn. This information should be furnished to counsel pursuant to an appropriate confidentiality order. Interrogatory no. 7 to Defendants seeks information regarding their involvement as a party in other lawsuits or administrative proceedings.

Defendants' objections to responding to the aforementioned requests for production and interrogatories are not well taken and will be denied. Full and complete responses as well as the sought document production should be served on Plaintiffs on or before April 20, 2000.
